

INTRODUCTION TO CB CAPITAL PARTNERS

CB CAPITAL PARTNERS

- CB Capital Partners is a specialized investment banking firm that creates value through customized financial advisory assignments and by delivering high quality investment banking services to our clients. Our investment banking professionals have strong Wall Street experience and cater to small and middle market companies. We offer companies the expertise and capabilities of a large investment bank combined with the focused attention and energy of a small entrepreneurial firm. Our highest priority is to be an ethical investment banking service provider.

INDUSTRY FOCUS

- CB Capital Partners brings value-added solutions to our clients through a partnership with our banking professionals and board members. This partnership provides our clients with an industry-knowledgeable team dedicated to their success. CB Capital Partners has proven expertise in the following four primary areas:
 - Healthcare, Medical Devices & Services
 - Consumer & Retail
 - Technology
 - Industrial Manufacturing

PACIFIC LIFE RELATIONSHIP

- In 2002, CB Capital Partners entered into a contractual relationship with Pacific Life to provide our clientele access to dedicated investment financial services and products.

CB CAPITAL PARTNERS

CB Capital Partners was founded with the goal to deliver the highest quality investment banking services to our clients. We define quality as bringing innovative and value-added solutions to our clients through a conservative and disciplined application of our diverse professional banking talents. CB Capital's experienced professionals help clients analyze financial alternatives, identify strategic and financial sources of capital, and structure and negotiate terms, which meet their objectives.

We offer our clients:

- Expertise in every phase of strategic advisory and corporate finance;
- Extensive transaction experience in all investment banking products;
- Industry expertise in our focus areas - health care, consumer & retail, technology and industrial manufacturing;
- Significant and industry contacts.

Mergers & Acquisitions

The professionals at CB Capital Partners have advised hundreds of clients with their Merger & Acquisitions and other financial advisory needs. Our clients range from large corporations to family owned companies. Our full range of Merger & Acquisitions advisory services includes:

- Buy-Side and Sell-Side Advisory Services
- Fairness Opinions and Valuation Services
- Divisional and Subsidiary Divestitures, Spin-Offs and Spin-Outs
- Management and Leveraged Buyouts
